Game 3

Score: _____

1. Words are made by choosing letters from adjacent boxes.
2. Words must be at least three letters long.
3. The same box may be chosen as often as you like, including choosing the same box twice (to get EE, LL, TT, etc.).
4. You may not choose a letter from a box that is not adjacent to the box containing the previously chosen letter.
5. Create as many words as possible from the available letters.
6. Plurals, tense, and actor forms all count. Thus, hen, hens, deal, dealer, and hunt, hunted are all acceptable.
7. When the first player cannot create any more words from the wheel, the second player can poach and add as many words as possible before starting on a new wheel.
